barpa hereby declares that the product *Copper Trunk Cables*, pre-assembled in its Internal Production Unit, is composed exclusively of cables and connectors manufactured and certified by the brand itself, in accordance with the applicable technical and legal requirements.

barpa déclare que le produit Câbles Trunk en Cuivre, préassemblé dans son Unité de Production Interne, est exclusivement composé de câbles et de connecteurs fabriqués et certifiés par la marque elle-même, conformément aux exigences techniques et légales applicables:

- *ISO/IEC 11801*
- *EN 50173*
- *ANSI/TIA-568.2-D*
- *EN 50575 (CPR)*
- *Diretiva RoHS (2011/65/EU)*

The individual technical documentation for the components is available at: www.barpa.eu

La documentation technique individuelle des composants est disponible sur: www.barpa.fr

This declaration is valid for all *Copper Trunk Cables* assembled internally under barpa's quality control.

La présente déclaration est valable pour tous les produits Câbles Trunk en Cuivre assemblés en interne sous le contrôle qualité de barpa.
